## THE “PARENT SURVEY” RESULTS ARE IN!

- Parents want a Math Night the most.
- The best time for parents is 6:00-8:00 p.m.
- 103 parents want Math Fact Strategies
- 93 parents want to know how to help their children with Math Homework
- Parents will visit four stations during Math Night. The topics will include;
  - 1) Math Fact Strategies
  - 2) Math Websites/Technology
  - 3) Organizational Skills/Study Habits
  - 4) Common Core Curriculum/Performance Tasks

- Some parents need transportation. Winkle Bus Company will pick up and drop off the parents.
- Parents will need to pre-register and we will request email addresses to remind the parents about Math Night. The school will also do a “Phone Blast”.

**Math Night will be held on Wednesday,**

**February 6, 2013 from 6:00-7:30 p.m.**

- Parents also want a Bullying Workshop/Presentation. Bob Morton presented a fantastic workshop last year. The council would like to see if he would present again. Toni Paine will check with the Board of Education to see if they can assist with this. Hopefully, this can be held in April or May.
- The Council also discussed safety procedures and many questions were answered.
- The next meeting will be held on **February 7, 2013.**

Respectfully Submitted,

Latanya Joyner
