## English Language Arts Night (ELA)

- 
- ELA night was held on May 2, 2013 from 6:30-8:00 p.m.
  - Many parents attended. The parents had great time learning as they participated in the four stations.
  - The four different stations were run by our wonderful students and their teachers. These 20 minute stations included;
    - 1) Technology/BYOD(Bring Your Own Device)
    - 2) Reading
    - 3) Writing
    - 4) Cornell Notes and Study Skills

- The Book Swap was a big success. The families enjoyed searching for that perfect book(s) to take home.
- Many students had their work displayed on a beautiful clothesline that ran across the front of the building.
- The raffle prizes added excitement to the night!
- Parents, staff and students were also selling Carrigan shirts and bracelets.
- It was a fantastic night!
