## Principal's Message:

I hope you had a relaxing summer and are eager to return to school. We are busy preparing our staff and building for the students' return – and we are very excited!

We would like to welcome several new staff members to the building. Mr. Kamykowski (6<sup>th</sup>), Mrs. Rubino (5<sup>th</sup>), and Mrs. Sampietro (6<sup>th</sup>) are all new to the Carrigan School teaching staff and Mrs. Barnes joins us as a Guidance Counselor. In addition, our new locker installation and auditorium renovation are now complete. Our building has also had some upgrades with paving in the rear of the school and a major roofing replacement project to be finished soon. Rest assured, we will be ready to go for the first day of school.

As with all buildings, there are a few rules and guidelines to keep things running smoothly. Here are a few friendly reminders to our Carrigan families as we look forward to the first day:

- ~ All parent drop off (AM) and pick up (PM) is done at the rear of the building.
- ~ All visitors should enter the building through the main doors in front. Please ring the bell once and wait to be 'buzzed' into the building by our office staff.
- ~ If your youngster will be absent, please leave a message on our attendance line: (203) 931-6897.

Lastly, if your student rides a bus, I highly recommend letting him or her ride on the first day of school. The sooner our students, families, staff, and buses can get on a good schedule, the better. Traffic can be challenging in the morning and afternoon, especially when routines have not been firmed up yet.

Our teachers will be in front of the building and ready to meet their students bright and early on the first day to make the transition back to school a bit easier and, hopefully, worry free.

I look forward to working with you and all of our students this year.

*Rich Weber, Principal*
