Principal's Message:

The start of the school year is always very exciting; new teachers, new classmates, new friends.

We are fortunate to have many returning staff members as well as some new additions to our staff. All have been preparing to incorporate the best and current methods to educate the students. We have many new materials in our Reading, Math, and Science departments to guide the students to appreciate education and become lifelong readers, writers, mathematicians, and scientists.

Last year, we instituted the "Bring Your Own Device" policy. Teachers and students alike were enthused about the program. Technology was infused in many lessons. This is a program that we will continue this year.

Our Open House will be on September 10th which will include a Curriculum Focus presentation. Hopefully, you will visit us on that evening. More information will be sent home near the beginning of the school year.

As administrators, we must note the tremendous amount of labor that was completed by our staff who worked tirelessly during the summer to have our school ready for the students.

We welcome you to a new school year at Carrigan Intermediate School. If you should have any questions or concerns, you can contact any of the administrators as well as our office staff: Mrs. Kehoe, Mrs. Barnes, or Mrs. LoRusso. Our number is (203) 937-4390
 Looking forward to a GREAT year!

Mr. Paolino, Mrs. Palermo, Mr. Weber
