 - Test will be tweaked at State level based on results to remove glitches and adjust questions
 - Our goals will be based on Common Core requirements, and how we did on our Common Assessments throughout the school year
- **Computer Lab** Teachers, in September or October, See where students are with typing skills. Set typing goals for students (Possible SLO for Computer Teachers; as well as students practicing in classroom)
- No School Governance Meeting for June
- Suggestions for Next Year: Once testing becomes tied in with evaluation, look at our strengths and weakness. Align whole school goals to learning goals.
- School Governance Council will need three parent members for next year.
- **Meeting Adjourned** at 6:52 p.m.

Respectfully Submitted,

Michael Bartone
